Volume 96

Thank You

The class of 2009 wishes to express its sincere thanks and appreciation to a number of individuals who have made our four years at CHS both rewarding and memorable.

To Mr. Moisan, our faithful class advisor who put forth a tremendous amount of support and dedication, and to Mr. Gannon for assisting during our senior year. To Mr. Hastings and Mrs. Kach, running the school with our class might not have been the easiest job, but we thank you for making our hallway walks interesting. To the guidance department, for your unyielding support through deadlines, acceptances, and weekly visits to aid in our success. Lastly, we would like to thank our yearbook advisor Mr. Garrity. The 2009 edition of Memorabilia would not have been possible with out your uncanny and stubborn humor accompanied by your years of wisdom.

We thank you all!

Freshman Year 2005-2006

We entered high school in the fall of 2005, eager and anticipating a new chapter in our lives. We were known by the traditional name of "dirt" to the upperclassman and wore the name proudly. Although we won no events during spirit week, our enthusiasm and participation gave an indication that we were a force to be reckoned with in future years. We were also introduced to the competition of powder puff football, one act plays, and the spirit of green and gold. Mr. Moisan and Mr. Hoffses stepped up to take the role of our class advisors. Our class elected Paul Zapantis as President, Mike Feehly as Vice President, Alicia Gordon as Secretary, and Kelsey Ring as Treasurer.

Sophomore Year 2006-2007

The brooms came out of the closet in the fall of 2006 as we swept the title "dirt" away. We walked through the halls of good old CHS with Kelsey Ring as our President, Michael Feehly as Vice President, Alicia Gordon as Secretary, and Marissa Frisch as Treasurer. We proved ourselves worthy in the Spirit Week events by taking first in both the banner contest and the obstacle course. Unaware of how fast the first two years flew by, we looked forward to the excitement which lay ahead.

Junior Year 2007-2008

When we returned to CHS in August of 2007, we were finally upperclassmen. We started the year by electing President Richard Breault, Vice-President Ashley Trautner, Secretary Lizbeth Perez, and Treasurer Paul Zapantis. Our first exciting event was our Mardi Gras themed Homecoming on November 3, 2007, at the Town Hall. Although we did not win any of the events during Spirit Week, we still had a blast. We tried our best as we raced down the gym floor on scooters and jumped through hoops during the obstacle course. On May 17, 2008, the Prom was held at the Chocksett Inn, where we danced the night away, always alert to avoid "flying pudding." When most of us survived "pudding free," we journeyed to the Westboro YMCA for an enjoyable after-prom party. We were thrilled to have completed Junior year and were anxious to return in the fall as Seniors. We could not wait for the excitement that was to come our last year.

Senior Year 2008-2009

As we opened the doors of CHS on August 26, 2008, the beginning was already approaching its end. With the departure of our class advisor Mr. Hoffses to another school, we welcomed Mr. Gannon with open arms to help out our veteran advisor, Mr. Moisan, finish our time at Clinton High.

The faithful leaders of the senior class were President Paul Zapantis, Vice President Michael Feehly, Secretary Alicia Gordon, and Treasurer Richard Breault. Through the college applications, acceptances, senior activities and memories made, we held our breath for graduation day on June 6, 2009. In cap and gown we came together for the final time as the class of 2009 and will forever cherish the remarkable moments of our Clinton High School education.

Spirit Week

Spirit Week 2008 was both a success and a failure for our class. Although we lost the competition to the Class of 2010, we won what many consider to be the two most important events, the Powder Puff game and the tug-of-war. The main accomplishment of the week was the hat and glove drive which garnered over five hundred items for the less fortunate of our community.

In the Powder Puff game, the seniors stopped the juniors on the one yard line to preserve a 15-14 victory. We again topped the juniors in the tug-of-war which ended the week on a high note for our class.

Junior Prom

Our dream of the Junior Prom finally became a reality on May 17, 2008. We woke up early to do our hair and get into our gowns and tuxes. That evening, we stopped at Central Park to take pictures with friends and family. We arrived at the Chocksett Inn in Sterling with great anticipation. After eating a delightful dinner of baked stuffed chicken, we danced and enjoyed every moment of the night. It was like "Dancing in the Moonlight." As the magical moments came to an end, we selected our King and Queen, Kevin Sargent and Ashley Latini. However, the night was not yet finished because we headed to the YMCA in Westboro for the after-party. There, we swam in the pool, rock climbed, played basketball, and enjoyed many activities along with plenty of food.

Homecoming

One of the highlights of our junior year arrived on the night of November 3, 2007, when we celebrated our homecoming. The Town Hall was decorated with a Mardi Gras theme. Our colors were green, purple, and yellow. Everyone was filled with energy and raced to the dance floor as soon as "Crank That" came on the speakers. The evening ended with the crowning of our king and queen, Philip Weihn and Ashley Trautner. This dance would prove to be one of our most memorable experiences at CHS.

Viva Espana

The journey began on April 15, as twenty-two Clinton High juniors and seniors along with four chaperones embarked for Spain.

The nine day experience began with two days in Madrid, living the city life, surrounded by the hectic Spanish metro lines. The next step was south towards Granada, and the breathtaking Alhambra. Historical "Holy Toledo!" was the next day stop. At the southern tip of Spain, the caravan came to an end for three days at Costa del Sol. With the Mediterranean Sea and Spanish beaches at our disposal, various students also took advantage of a day excursion to Morocco. The students left with images of a way of life never experienced before, not to mention a skill for bartering.

The much dreaded April 24 arrived far too quickly. However, we returned to the United States as experienced travelers filled with memories and stories for a life time. Ole!

Excel

The CHS Excel Club was established in 1996 in order to give students more community service opportunities. This year's officers are: Paul Zapantis, President; Lizbeth Perez, Vice President; Ashley Trautner, Secretary; Casey McGown, Treasurer; and Bryan Casasanto, Historian. Under the guidance of Mrs. Rose Solar and Mr. Terrance Ingano, club membership reached 203 students - not only our largest ever but the largest Excel Club in the nation! We started the school year by helping out at "Olde Home Days" in Central Park, and we participated in the 200th Anniversary Parade in West Boylston. Members came out in record numbers for the "Jack-O-Lantern" Festival in downtown Clinton in the fall; during "Make a Difference" Month, we joined with the Clinton PTA and collected over 1,000 items of winter clothing for the needy. Our second annual "Souper Bowl of Caring" was a big success. We collected almost one ton of food for the new CARE food pantry in Clinton. Along with our usual work at the Corcoran House and our annual Senior Citizen Social, the highlight of our year happened on February 27 in Worcester where we were honored between periods at Worcester Sharks vs. Portland Pirates hockey game and were featured on the Jumbo-Tron!

Step Up To Excellence

Step Up To Excellence provides select students with opportunities to learn leadership skills, explore college programs as underclassmen and help others through individual and group community service. Step Up students graduating with the class of 2009, Jessica Colon, Lizbeth Perez, Matt Perham, and Tim Reilly, made great use of the advantages offered to them and experienced summer programs based on education, community service, filmmaking, technology, and medicine all across America and Canada. These students completed a three year commitment to the Step Up program that was highlighted by group events such as indoor rock climbing, bowling, snow tubing and a series of public speaking events and dinners. These students also continued Clinton High School's commitment to Camp Sunshine in Casco, Maine, by volunteering as counselors for families dealing with childhood cancer.

First

After spending six weeks building a robot, Team 126 was ready for the regional competitions. In Boston, things started out poorly with the robot scratching the playing field. After missing many practice matches, the problem was finally solved. The team won in the quarterfinals but was defeated in the semifinals. However, spirits were lifted when mentor Jorge Martinez won the Woodie Flowers award which is given to the person who goes above and beyond to help the team.

Hartford had its ups and downs also, but, unlike Boston, the team did not miss any practice matches. In the qualifying matches Team 126 had some success. With their alliances from New York and Florida, the pivotal third match of the quarterfinals showed the team's determination and advanced Gael Force to the semifinals where two matches in a row were won. This brought them to the finals where they swept the first two matches and became the Hartford Regional Champion.

Atlanta was a fun experience, but the result was disappointing as Team 126 was eliminated in the quarterfinals. This year's experiences will be remembered long into the future.

The 2008 soccer season was supposed to be a rebuilding year, but no one told the players. The team had another great season, going to the district playoffs for the fifth consecutive year. Girls' Soccer

The team finished its season with a 9-9 record and a trip to the district tournament. It was led by Cocaptains Jess Colon and Ashley Trautner and senior Rachel Dylewicz. In the tournament, the Lady Gaels faced Lunenburg, and after ninety minutes and two overtimes the score was still tied. However, Lunenburg edged out Clinton in penalty kicks for the victory. The All Stars were defenseman Ashley Trautner, goalie Jess Colon and sweeper Makayla Moran. Ali Vetros, a freshman, was the leading scorer with eleven goals. With a strong contingent returning, next year looks like another successful season.

After starting the season off with some tough losses, the Gaels began to right the ship as they won two of their last three games. They had defeated Bartlett, Ayer, and Hudson. Despite the 3-8 record and many injuries sustained, this year's seniors showed they had great leadership ability while laying a solid foundation for the underclassmen. Senior Philip Weihn was selected for the Division III All Star team and the Telegram and Gazette Division III Class C team along with Junior Andrew Holfinger. The success of the Gaels this year can be attributed to the leadership of captains Chris McRell, Pat Rodgers, Eric Arsenault, and Jay Dowd.

Golf

The 2008 golf team struggled to a 3-13 record this year. The Gaels had qualified the previous four years for the district golf tournament. With only two seniors, Captains Eric Stephenson and Ryan McNamara, the team did an admirable job, but the inexperience and the youth of the Gaels just couldn't get them over the hump. Sophomore Austin Ball was the Gaels' number one player. He qualified for the District Tournament and was also selected as a Midland Wachusett League Division C All-Star. The team worked hard during the season but were outclassed in a few matches. Seven teams on the schedule qualified for the districts.

(L.-R.) Ryan McNamara, Austin Ball, Coach Bonci, Eric Stephenson, Brett Gannon, Matt Dion, John Kilcoyne, Cam Wendler, John McNamara, Jon Beirholm.

Although their record was 2-18, the team kept their spirits up while staying determined to have an impressive season. The squad was led by Captains Helen Kerrigan and Ida Peralta along with seniors Kassie Schmidt, Izzy Orantes, Marney Mayhew, Stephanie Kerrigan and Amy Diaz. These seniors tried to set a good example of team spirit for their teammates. Their success was shown when they were given the best sportsmanship award by the unanimous vote from other coaches in their division. Despite the fact that they did not win many games, the coaches believed that the girls always showed positive attitudes on the court. The season ended with a great feeling of achievement because of unforgettable memories.

This year's team surprised almost everyone in central Mass en route to a 11-8 record and a tournament berth at both the Clark Tournament and the Districts. The young Gaels started out with big wins over Millbury, arch rival Nashoba, and eventual league champions Hudson.

It took the senior leadership of Captains Ryan Newell, Kevin Sargent, Alex Stephenson, and Phil Weihn to get th team on track for their post season game with Grafton in the Clark Tournament where the Gaels were defeated 71-57. The District Tournament against Tantasqua was also an unfortunate run with the Gaels losing 67-54.

Junior Alvin Mayard and Sophomore Brendan Cutler were both named Mid-Wach Division C All Stars, and Senior Ryan Newell was selected as the Scholar Athlete of the team. For the fifteenth time in the twenty year histor of the league, Coach Tony Gannon and the Gaels were awarded the prestigious Sportsmanship Award.

National Honor Society

On May 5, 2009, the fifty-ninth National Honor Society ceremony was held in the CHS auditorium, inducting twenty-four new sophomore members. Speakers included Superintendent Gerry Gaw, Principal James Hastings, President of the Rotary Club Carlos Llaso, and NHS President Ryan Newell who served as Master of Ceremonies. The four principles of the National Honor Society, character, scholarship, leadership, and service, were symbolized by the lighting of candles. NHS Vice President Richard Breault, Secretary Ashley Trautner, Treasurer Paul Zapantis, and junior Historian Ariana Weihn had the duty of elaborating upon the four tenets. The Rotary Club sponsored a Senior dinner following the induction at the Chocksett Inn. There a surprise guest speaker who was a former Clinton National Honor Society member, Harold Naughton, wished the Seniors the best of luck in their future endeavors.

Baccalaureate

On June 3, 2009, the class assembled in the CHS auditorium for our baccalaureate ceremony. This time for refection and remembrance brought the class one step closer to the reality of graduation day. Guest speaker Brian Lynch instilled in the students words of encouragement and wisdom and gave a reassurance of success with our Clinton background.

Jackie Cardoza, Alicia Gordon, Tacia Sharland, and Bailey Carr presented a slideshow of class functions along with "before and after" pictures of many. The class sang "Don't Stop Believing" in dedication to the family, friends, and teachers who have supported the class through this journey.

Class Trip

On June 1, 2009, we traveled to High Meadows Resort in Granby, Connecticut. We were blessed with a beautifully sunny and cool day.

We spent time by the pool, played volleyball, rode horses, bungee jumped, and ate, ate, ate. Some showed their prowess and appetite in the pie eating contest. It was a wonderful beginning of a week we would remember forever.

Class Banquet

After arriving at the Bull Run Restaurant in Shirley, the class began its last social gathering for at least five years. The evening started with great food and even better laughs as the DJ kept the music playing so the dance floor remained full. The last song, "Piano Man," was dedicated to the class and the memories made during the past four years. It was the perfect evening to say our goodbyes and to prepare for the adventures ahead.

Graduation

On June 6, 2009, the Class of 2009 surrounded by family, friends, and faculty members gathered in Central Park for the graduation ceremony. The class gift was given by President Paul Zapantis. Remarks were presented by Valedictorian Emily Erkkinen, Salutatorian Michael Feehly, and high honor students Jessica Strickland and Ashley Trautner. Each reflected upon the past four years with pride and encouragement for the future ahead. Superintendent Gerald Gaw gave an inspirational and valued speech at his last graduation.

After the awarding of diplomas, the classic song "Green and Gold" was sung as the graduates began a new era in their lives.

Dear Ashley,

It's only for a moment you are ours to hold. The plans that heaven has for you will all too soon unfold. So many different prayers we pray for all that you might do. And if we've never told you, we want you to know, that as we watch you grow we pray that God will fill your heart with dreams and that faith gives you the courage to dare to do great things. We're here for you whatever this life brings, so let our love give you roots and help you find your wings. May passion be the wind that leads you through your days and may conviction keep you strong, guide you on your way. May there be many moments that make your life so sweet. It's not living if you don't reach for the sky.

We'll have tears as you take off but we'll cheer as you fly

It is amazing how time flies. It doesn't seem that long ago that we were having our first class meeting, planning fundraisers, trying to collect class dues and thinking to ourselves how this four year journey was going to be a challenge.

This chapter of your life is complete. We hope that you are able to live a full and healthy life. The road ahead is going to be long and arduous. Continue to keep your eyes on the goals you set. Thanks for all the memories; you'll never be forgotten.
